Q: How can I obtain a Town of Huntington Recreation card?

A: Residents 13 years of age and older who register for programs or use any facility operated by the Town of Huntington Parks & Recreation Department will have to purchase a two-year Recreation Card or be charged the non-card holder fee.

Children under the age of 13 who wish to participate in our programs or use Town recreational facilities must be registered by a parent/guardian who has a valid Recreation Card. Parents can use each other's cards for registering their children.

Residents who have the following cards do not require the Recreation Card: Crab Meadow Golf Card or the Dix Hills Pool Membership Card.

To obtain the Recreation ID, residents are required to present two (2) forms of identification (showing address) to demonstrate Town residency. One must be a Driver's License or Non-Driver ID, the other must be one of the following: tax bill, utility bill, library card (with address), car registration, college ID. Teens will be required to be present and show one proof with a name and address (report card or library card). Parent's drivers licenses must be used for 2nd proof of residency.
